WHAT IS BIBLE QUIZZING?

Simply stated: Quizzing is an effective tool that helps motivate young people to learn God's Word, work together as a team, and expand their understanding of Scriptures.

HOW DOES A QUIZ WORK?

Each month, students study particular chapters from a designated book/books of the Bible and compete each month over the selected material. A quiz is made up of 3 teams of 5-7 people, and there are two 6-minute halves of one quiz. A Quizmaster reads questions on that month's material and when the quizzers think they know the answer, they jump up from their seat. A sensor that the quizzers sit on lets the Quizmaster know who jumped first. The winner of the jump can score points for themselves, and their team, by correctly answering the question. There are usually five rounds each quiz meet, and at the end of the day the team with the most points wins that month's competition.

WHAT IS FAMILY LIFE/BQF?

Family Life Bible Quizzing is one of seventeen ministries from across the United States that make up the Bible Quiz Fellowship organization. Each spring there is a national tournament and Family Life sends teams to compete and represent the states of New York & Pennsylvania.

WHO CAN GET INVOLVED?

Since questions are not interpretive and come directly from the Scripture text (ESV), teens from all denominations can quiz and enjoy the fellowship. Quizzers must be at least 8 years old to compete at the local level, and quizzers who are 11-19 years of age are eligible to compete at the national tournament.

WHAT WILL WE BE STUDYING?

In 2014-2015, we will be studying the book of Acts. Each month, 60% of the questions will come from new chapters. All questions are asked according to the verse reference and will be comprised of 85% interrogative questions and 15% quotes.

Thank you for your time and if you have any questions don't hesitate to let me know,
