Christmas

At Family Life, we believe that the reason Christmas is the most wonderful time of the year is because it's the birth of Jesus! Family Life's special programming during the holiday season is designed to draw families together in celebration of Christ's birth. Christmas music begins the day after Thanksgiving and is heard throughout the Christmas season. The joy culminates with the 72-hour Christmas Music Festival on December 23-25. Throughout the entire holiday season listeners are treated to Christmas specials during the Family Hour. For an overview of each program, visit www.fln.org.

Family Life's Online Christmas

Family Life is offering even more Christmas programming online at www.fln.org/Christmas. Once again this year, you can listen to many of the audio theatrical productions broadcast in years past on the radio network at your convenience. Here are the audio dramas available online:

The Christmas Shoes
The Christmas Blessing

The Christmas Candle
Midnight Clear
A Christmas Carol

If more Christmas music is what you're looking for, Family Life offers two online Christmas streams 24/7. "A Family Life Christmas" combines multiple styles and selections of Christmas music present and past, while "A Peaceful Christmas" is mostly easy listening, instrumental music providing a wonderful background during the season.

Creative Programming

With its main format, Family Life combines a unique blend of contemporary Christian music and selected programs that provide relevant teaching, instruction and encouragement. Online music streams that appeal to different audiences broadens Family Life's outreach. Music streams include: Easy Listening; Southern Gospel; Praise & Worship; Pop, Rock & Urban. With such variety, Family Life provides listening enjoyment and inspiration to every family member.
