

Gender Matters: Men & Women at the Crossroads

Does Gender Matter?

Male and female seem up for grabs these days, subject to a clash of opinions that divide families, and that challenge how we define marriage, compassion and personhood.

Yet at the end of the day, each woman and man must answer the question: Who am I? Who will I be for my own gender? For the opposite gender?

Gender matters to God. He made us as male and female; He remakes us in His love to become good, life-giving gifts as gender people.

Come and join us as we explore together the challenge and beauty of 'gender matters'.

The two-day conference will include worship, healing prayer, break-out sessions and teachings. The teaching sessions will include "Does Gender Matter?", "How Jesus Restores Our Gender Identities", "Gender Wholeness through the Broken Body" and "Loving Well: Back to the Future".
