JOIN US.....

...for a relaxing, fun-filled week or just come for a few days at Shiloh Family Campground and Retreat Center on Hatch Lake in Eaton, NY.

Located on the western shoreline of beautiful spring-fed Hatch Lake, Shiloh is nestled in the rolling hills of Madison County, NY, where the beauty of God's Creation is found throughout its spacious 90 acres.

Enjoy the fun! Bring some board games or a musical instrument for a spirited evening around the campfire, or play ping pong and air hockey in the game room. Do you have outdoor games to share? Bring them! (*Water balloon volleyball is a must.*)

How about some water activities? Kayaks, canoes, rowboats, and paddle-boats are available at no charge. Water skiing and tubing are also available for only the cost of buying gasoline.

Share in the adventure and laughter as we all cook creatively and share responsibilities.

This vacation truly allows for relaxation, recreation and spiritual refreshment. Plus, there's running water too!

Invite a friend and be sure to sign up quickly. Space is limited.

NOTE: This event is open to all singles and their children.
